2B. Read the questions and answers with your pair: "Lue kysymykset".

2C. Practice KO-questions: <https://openlearning.aalto.fi/mod/hvp/view.php?id=15312>

3A. Read the text "Työ ja opinnot teksti" out loud with your group. Pick up the words that have something to do with work or studies and translate them.

3B. Write (at least) 8 questions on each person in the text: 4 questions beginning with a question word (Mikä? Mitä? Missä? Mistä? Kuinka vanha?) and 4 verb questions (-KO).

3C. Answer the questions.

3D. Add at least 2 new words from the text under each appropriate Flंगा headline: <https://edu.flinga.fi/s/ET4TLQP>

3. Missä? Mistä? Mihin? Practice the locative cases:

Local cases / Mihin? Missä? Mistä? Where to? Where? Where from?

In Finnish, there are six local cases which indicate direction or location. The choice of the ending varies depending on the place; is it **indoors** or **outdoors**.

In these series of pictures, you can see the basic idea of the local case system.
